'My time at Stocksbridge High School has been amazing.' Student

Who you are tomorrow begins here today

Our aim is to create and sustain educational excellence for all young people, whilst still developing the whole person... building in them the skills they need to be confident, happy and successful. At Stocksbridge it is not a choice of academic excellence or personal development. We believe all our students should achieve both.

Based in superb new buildings with state of the art facilities we are proud to offer a stimulating environment for learning. As a growing school we have a unique opportunity to get to know every child individually, enabling us to develop and support them throughout their time at our school.

We are driven as a school to constantly challenge ourselves and to accept the challenge of our parents to improve all that we do.

Adrian Smith, Headteacher

'Teachers at school inspired me to go on to be the successful person I am today.' Former student

Our mission

Our mission is to ensure all students make progress from their individual starting points and achieve outcomes that enable them to move on to the next phase of their education at the highest possible entry point.

To ensure this happens we will:

Be **relentlessly positive** with all students every day, believing they can and will succeed.

Work tirelessly to remove barriers to learning for all students so that all students can be successful.

Deliver high quality (Quality First) teaching and learning experiences all day every day.

Provide opportunities for all students to develop the **skills** required to be successful beyond their formal education.

Ensure that students are **safe** at school.

Work with students, parents, carers and the community to support our values of **respect and tolerance**.

Celebrate the achievements of all students, recognising that achievements are personal to every child.

Create an environment in which all staff and students value and **enjoy learning**.

Care for and support each other.

'...education has been of a very high standard... the grades he is getting prove this.' Parent

'Everyone has been supportive of me.' Student

'It was much easier making options choices with Y10 and Y11 students to help me.' Student

Passionate
about your
potential

Learning
from each other

Our dedicated careers team work with students from Y7 – Y11 on a range of programmes designed to unlock your potential. This ranges from business mentors to entrepreneurial challenges to careers conventions and Higher education days. Our newly formed Minerva Learning Trust also provides access to high quality post 16 sixth provision just a bus ride away. Your future, whether an apprentice or a potential Oxbridge candidate will be nurtured and developed through this exciting range of provision.

Additionally your child will learn from older students throughout their journey in vertical form groups. Each form belongs to a house with a unique ethos and identity. This creates even greater personalisation of their education. Through competition they will further develop the skills and abilities to be successful at school and beyond...and who knows one day lifting the house trophy!

'The House system has really helped me to understand the next part of my school journey.' Student
